

EDUCATIONAL WORKSHOPS

Training and workshops tailored and designed for adoptive parents, to help support their child's educational needs.

www.adoptioneastmidlands.org.uk

OBJECTIVES

Our workshops are designed to create a collaborative space for adopters to receive pertinent information relating to the educational needs of their children and young people. Actively participating in group discussions and engaging in related activities is encouraged.

Our aim for all participants is to leave our workshops feeling that they've acquired the skills and knowledge needed to support their children and young people, as they progress through their education journey.

We have **four workshops** tailored to you, please find the details of these sessions below:

TRANSITIONS IN PRIMARY SCHOOL

Wednesday 24th September 2025: 09:30am - 12pm
